## AGATHA CHRISTIE AND THE ELEVEN MISSING DAYS: REVISED AND EXPANDED EDITION

Peter Owen. 1 Paperback(s), 2011. soft. Book Condition: New. In December 1926 Agatha Christie became front-page news when she vanished from her home in Berkshire; she was found 11 days later in a hotel in Yorkshire, claiming amnesia. Although the notoriety cemented the mystery writer's fame, she never got over the intense scrutiny, and never again mentioned the incident, even in her memoirs. Jared Cade, an authority and lecturer on Christie, became a sleuth equal to any in her canon when he set out to find the truth. Cade tracked down surviving witnesses, examined the evidence, and found that there had indeed been a cover-up. With previously unseen photos, his riveting book reveals why Christie staged her disappearance with a co-conspirator, and how it all went terribly wrong."He has proved himself to be a detective so meticulous and thorough that Agatha herself would have been proud."Northern Echo 336.
