Increase is a man who longs for more than the ordinary. This is his story as he pursues abundant living regardless of the personal cost. Through the highs and lows of life, he discovers a friendship that is transformative, and comes to experience a level of freedom that he never knew was possible. Growing up and trying to fit in in a town like Partly Right is extremely difficult for a man who wants to experience the more of life. The people and systems of Partly Right have all the answers and a way of living that doesnt allow for any questioning or coloring outside of the lines. Increase rises up within the Meeting Places of Partly Right only to discover that it doesnt satisfy the deep longings within his soul. He goes on a quest to discover the genuine abundant life that Jesus promises to those who would follow him. His quest for more has a cost to it, and Increase soon discovers that not everyone is supportive and some are outright threatened by it. In this book youll meet a variety of true to life characters like Increases wife Beautiful One, Professor Must Be Right, Try Harder, Dee Fender and the life giving Sparkly Zoe. But most importantly, youll get to know the wonderful character Charis Ma. Increase isnt a perfect man, youll soon see some of his faults, failing and fears that hold him back. But most of all, Increase is a man who is not going to settle for less than everything that God has to offer. He is on the Increase, and you can be too! This item ships from La Vergne, TN.
