Trafford Publishing, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.It is strange which incidents in a long life will stick in your mind and recall in detail when stimulated by pictures, smells, or word triggers that bring to mind the occasion. This book is a collection of such memories, each reflecting the emotions and physical stimuli that accompany that moment in life. Each of us is the receptor and participant in that incident forever recorded in our store of significant moments in our lives; most are shared scenarios, but many are private, some secret, memories to be cherished or avoided in our daily routine. So many memories are lost, yet so many preserved and recalled occasionally or routinely. A few are forgotten only to be resurrected on some significant occasion. We have walked in these paths of recall from the start and to the completion of this book.
