The Emotionally Healthy Church, Updated and Expanded Edition, the newly updated and expanded edition of the groundbreaking bestseller The Emotionally Healthy Church, features a fuller, deeper look at the six principles contained in the original and includes a crucial, additional chapter: Slow Down to Lead with Integrity. New Life Fellowship in Queens, New York, had it all: powerful teaching, dynamic ministries, an impressive growth rate, and a vision to do great works for God. Things looked good---but beneath the surface, circumstances were more than just brewing. They were about to boil over, forcing Peter Scazzero to confront needs in his church and himself that went deeper than he'd ever imagined. What he learned about the vital link between emotional health, relational depth, and spiritual maturity can shed new light on painful problems in your own church. In this revised and expanded edition of his Gold Medallion Award--winning book, Scazzero shares refreshing new insights and a different and challenging slant on what it takes to lead your congregation to wholeness and maturity in Christ. Our churches are in trouble, says Scazzero. They are filled with people who are * unsure how to biblically integrate anger, sadness, and other emotions * defensive, incapable of revealing their weaknesses * threatened by or intolerant of different viewpoints * zealous about ministering at church but blind to their spouses' loneliness at home * so involved in 'serving' that they fail to take care of themselves * prone to withdraw from conflict rather than resolve it Sharing from New Life Fellowship's painful but liberating journey, Scazzero reveals exactly how the truth can and does make you free---not just superficially, but deep down....
