Finding Enduring Rest and Peace in God Many Christians today are discovering another side of prayer. Those who have learned that prayer consists of confession, making requests, and offering thanks are recovering quieter forms of prayer. They are finding the spiritual benefits of being still before God through Scripture praying, meditation, and listening prayer--forms rooted in Scripture and practiced by faithful believers throughout history. The Soul at Rest is a quiet-time companion that introduces these inward disciplines to those who hunger for greater intimacy with God. An understandable, step-by-step journey into the practice of inner prayer, The Soul at Rest brings both inspirational teaching and practical exercises that facilitate learning-by-doing.
