Under any other circumstances, she'd welcome the attentions of a man with Jake's powerful body and seductive deep blue eyes. But as Allie places her body - and her trust - in the hands of a total stranger, she wonders if this desperate gamble will be her last.

Reviews

It is one of the best ebooks. Yes, it is actually engaging, still an interesting and amazing literature. It has been developed in an exceedingly straightforward way in fact it is just following it. I finished reading through this book by which it basically modified me, altering the way I really believe.

Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.
