The variation in the third person plural in the transitions appears to depend on the following conditions: mo is used when the transition is from the third person singular to the third person plural, as in the expression, he loves them. po where the transition is from any of the other persons, singular or plural, to the third plural, as: apocollan, I love them. mipocollan, thou lovest them. quipocollan, we love them. mipocollan, you love them. chipocollan, they love them. pa where the verb implies another object besides the direct one, as: ychac apahapuchan, I give them their food. la is employed when the transition is from the third person plural to some other person than this, as: micollilatan, they love thee. chi is confined to transitions from third plurals to third plurals, as: chipocollan, they love them. tBriuton. Syntax. The construction of phrases will be seen from the following examples: Liman ne yayu yzip pusimpat anantumila cheelan. Sierra in men their houses straw with covered are. The houses of the Indians in the Sierra are covered witli straw. The noun zip and the verb anantum have their pronouns in the third person plural, so the plural particle lol is omitted. The word chectan is an abbreviation of chiactan, the third person plural of the verb actan, I stand, I am in a place. This verb is much used to signify a usual action with reference to a noun, as...
