Brand New Book ***** Print on Demand *****.Excerpt from Thoughts on High Themes: Being a Collection of Sermons In compliance with the expressed wishes of many to whom the author ministered in his lifetime, this series of Discourses is now published. Only two of those embraced in the volume, namely, The Good Old Way and The Duties of Subjects to their Rulers, enjoyed the advantage of being brought through the press under the supervision of the Rev. Dr. George himself. These two being preached on special occasions, were published by request immediately after their delivery. The other sermons which go to compose the volume, were never intended for publication, and have consequently not had the benefit of receiving a revisal at the hands of the author. The discourses here presented are to be taken as average specimens of Dr. George s powers as a preacher, rather than as the highest efforts of which he was capable. The principle upon which the selection was made was that of securing variety in the matter of the publication; so that the topics discussed determined what discourses should be chosen, rather than the superior excellence of the discourses themselves.
