

A System for Case-Taking: With Explanatory Notes (Classic Reprint) (Paperback)

By George William Ross

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A System for Case-Taking: With Explanatory Notes We have long felt in the Department of Medicine in the University of Toronto, that a guide to ease-taking would be of material service to our students. I have carefully gone over this method of Doctor Ross and Doctor Loudon, and thoroughly approve of it. I feel that it will help us in this important branch of medical training, and trust that others will also find it of service. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
