Industrial Espionage Made in Germany

By Moritz Andre Grabowski

GRIN Verlag GmbH. Paperback. Book Condition: New. Paperback. 32 pages. Dimensions: 8.3in. x 5.8in. x 0.1in. Research Paper (Pre-University) from the year 2013 in the subject Sociology - Economy and Industry, grade: 12, , language: English, abstract: Made in Germany, the Industrial Revolution, and Industrial Espionage: what do these terms have in common Industrial Revolution describes a transition from an agrarian to an industrial society at the end of the 18th century, starting in Great Britain and spreading from there.) Whether railroad or steam engine, the technical innovations of the 18th century profoundly changed the working style and lifestyle of the people. Technical innovations went hand in hand with organizational innovations, such as the introduction of a factory system which ultimately put in motion a transformation process - now called the Industrial Revolution. The Industrial Revolution is one of the most significant turning points in history. There is no other known event in which, within such a short period, a centuries-old agrarian society was turned upside down and, within a few decades, something new was created. The starting point is considered to be the development of the spinning machine by Richard Arkwright in the summer of 1769, creating industrial cotton...
