Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from *Our Father s House, or the Unwritten Word* It is the highest attainment of human faith to believe that the Maker of all worlds is Our Father, and that this earth is but one of the many mansions in Our Father s House. It is the highest attainment of human philosophy to accept all the forms and forces of the physical world as revelations of God s Unwritten Word. The author of this book has tried to walk humbly hand in hand with both Faith and Philosophy while surveying the wonders of God s works for the illustration of the deeper wonders of God s word. Craving the company of such as can be persuaded to go with him, he would wander from room to room in the great House which God has built, wondering all the way at the riches and splendors stored in every apartment, and accepting every gift of his Father s love with the simplicity and thankfulness of a little child. If my reader will consent to go with me in such a spirit, we shall together find it easy to draw lessons of heavenly wisdom from the most common objects of daily observation. We shall see God in the glory of infinite wisdom and love where faithless Science sees nothing but soulless law and purposeless phenomena. We shall gather eternal riches where the seekers after perishable gain find nothing but dust. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
