Excerpt: .ready to use it to call up and ask for its delivery in less than an hour; and it has always been our policy to make deliveries as promptly as possible. We do not anticipate that this method of handling business is going to pay any considerable amount under the cost of delivery by horses and wagon, but will enable us to satisfy our trade by reaching the outskirts of the city, where considerable building is now being done, without the delays necessary when we are depending entirely upon horses in hot weather. The hesitation in business felt in other places is also felt in Rockford, according to Mr. Parsons, but there is more or less residence building going on. A few municipal improvements in the way of paving and sewer work is under way, and as this puts more or less money into circulation, the dealers are not suffering as they would if the municipal improvements were also curtailed. A few semi-public buildings are being constructed. NON-FADING MORTAR COLORS. The essential of quality in mortar colors is interestingly pointed out in literature issued by the Jamestown Paint Varnish Co., of Jamestown. Pa. It is stated that there is a greater difference in the quality of mortar colors than in any other material entering into the construction of a brick building. With the wonderful progress which has taken place in the face brick industry during the past five or ten years, the demand for...
