

## Counselling in Obstetrics (Communication and Counselling in Health Care)

By Hunter, Myra

Wiley-Blackwell, UK, 1994. Softcover. Book Condition: New. First Edition. Available Now. Book Description: This book describes the principles and skills of counselling. It provides practical guidelines which show, by example how to communicate effectively, how to offer counselling and support, and how to face and deal with difficult situations. Detailed attention is given to issues such as preparing women for surgery, breaking bad news, and providing information and support before, during and after childbirth. : From the Back Cover: This book describes the principles and skills of counselling. It provides practical guidelines which show, by example, how to communicate effectively, how to offer counselling and support, and how to face and deal with difficult situations. Detailed attention is given to issues such as preparing women for surgery, breaking bad news, and providing information and support before, during and after childbirth. The book aims to increase the awareness of health workers by describing a broad range on women?s experiences and reactions to their particular problems and health concerns, as well as the ways in which these are treated. : About the Author: Dr Myra Hunter is a Chartered Clinical Psychologist working in obstetrics and gynaecology at University College Hospital and Research...

### Reviews

*Comprehensive guide for pdf lovers. It generally is not going to charge too much. You may like just how the article writer write this book.*

-- **Neva Hammes MD**

*This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.*
