Brand New Book ***** Print on Demand *****.Sally, Tim, and their mother discuss the existence of Santa and God just before Christmas. This is a conversation known to many Christian families with young children excited for the holiday. Their conversations and prose are punctuated by the delightful and bright images of the season. It is good and important to believe in the magic and generosity of Santa Claus as a child. God Loves Santa Too encourages this belief while also hinting, ever-so-lightly at the efforts of the parents-both financial and not-to maintain the magic of Santa Claus. We also are reminded of the importance of Jesus during this season. God Loves Santa Too is sure to leave your heart warmed and ready for the Christmas season.
