## REDISCOVERING WORSHIP (PAPERBACK)

DOWNLOAD

Pickwick Publications, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Many opinions contend in the church today for what constitutes true worship of God and how best it can be practiced. This collection of essays carries on a conversation between biblical scholars and church music practitioners. It begins with three studies investigating what we can learn about worship in the Old Testament, followed by essays on the teaching about worship in the Gospels, Epistles, and the book of Revelation in the New Testament. The church music practitioners featured in the book respond to each of these essays. The final essay by Wendy Porter takes a historical journey of theological reflection on Christian worship from the days of the early church, tracing worship developments in the Western church through the centuries to today. This is an important book for anyone who wants to think theologically about how and why Christians worship God. I welcome this collection of the best of biblical and theological insights regarding Christian worship, combined with a serious attempt to address this matter by practitioners. It should provide a new starting point for the discussion and implementation of this key area of Christian life. -- Richard S. Hess, Denver Seminary, Denver, CO There can never be too many interdisciplinary conversations as leaders pursue an understanding of Christian worship from God's point of view. This collection of essays is unique: real dialogue transpires while not creating a dichotomy between scholar and practitioner. Ministerial borders are crossed throughout its pages, to the benefit of worship leaders everywhere. --Cherry Constance, Indiana Wesleyan University, Marion, IN Wow! Porter's group of theologians and practitioners walk the reader through Scripture: Beginning with the Mosaic view of worship, progressing to the...
