Leonaur Ltd. Paperback. Book Condition: New. Paperback. 456 pages. Dimensions: 8.4in. x 5.4in. x 1.1in. The Naval Brigade of the cruiser H. M. S. Terrible in the Victorian age The battles of the Nile and Trafalgar in the opening years of the 19th century demonstrated that the Royal Navy was an unbeatable international force. The lessons of that period were so well understood by the world that the British navy did not fight another major battle on the high seas until Jutland during the First World War. Britain ruled the waves for a century as the nations imperial and colonial aspirations were fulfilled and the Royal Navy became a de facto international police force. The larger wars of the century were fought on land and demanded little of British naval resources. Naval guns and their expert gunners, however, were a valuable asset that could be deployed to significant effect almost anywhere the British Army was engaged. Naval Brigades were created and went on to see action in the Crimea, the Indian Mutiny, the Zulu War, the Boer War and towards the close of the 19th century as part of the force dispatched to China to suppress the Boxer uprising and relieve...
