Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Her Very Own Demon blends crime thriller with complex character evolution, while exploring a deceptively simple question. What will a person do, how will she change, what atavistic impulses will she involuntarily display, when terrorized beyond the limits of rational comprehension? The Ghost abducted and murdered fifteen talented young women, one after the other in an increasing frenzy. Lieutenant Kevin Mahoney investigated the case to the point of collapse, desperately trying to determine the Ghost's identity before he could kill again. And then the murders stopped. No additional bodies were found. For two years it was as if the Ghost had simply vanished. Something Mahoney had discovered, though he didn't know what, scared the Ghost badly enough to retreat into hiding. Two years later, now, the Ghost has suddenly returned. But this time he is making it personal, taunting the Lieutenant who nearly caught him. He tells Mahoney the identity of his next intended victim, a reclusive writer named Hope Lang. He wants Mahoney to know a victim before she dies, so that the sound of her voice, the curve of her smile, will haunt Mahoney for the rest of his life. Mahoney must protect Hope while continuing to pursue the killer. And Hope, painfully shy, must summon the strength, courage, and fury to confront her very own demon.
