GRIN Verlag Mai 2016, 2016. Taschenbuch. Book Condition: Neu. 210x148x2 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2012 in the subject Speech Science / Linguistics, grade: 1,0, University of Bremen, course: Sprachpolitik, Sprachenrechte, Sprachplanung, language: English, abstract: This paper mainly focuses on indigenous languages, indigenous laws and rights, as well as indigenous education. The first chapter deals with indigenous peoples in Brazil, their geopolitical situation, their languages and linguistic prejudices towards them. The second chapter focuses on how indigenous languages are promoted. This includes how indigenous school- and university programs have evolved in the last centuries and especially in the last decade and how didactic materials have also improved. Finally, a conclusion is drawn, followed-up by the list of sources and declaration about the authenticity of this term paper. Brazil is, generally speaking, a country of diversity. It is not only known to have the planet's largest remaining rainforest and wildlife, but it is also known to be rich in culture. It must also be said that it has always been a migration country. Thus, in the last five centuries people from all over the world immigrated to Brazil...
