Not illustrated. 1922 Excerpt: . . . in the diagram below: it for the basic idea involved in the following short side play: After receiving the ball from the snapper, L must delay an instant or two until his interference can get across to the short side. They sweep across, in front of him, while he, standing still in his position, raises the ball aloft as though to forward pass it. This causes the defense to hesitate perceptibly in its charge and holds the secondary men back, whereas they should be coming up fast to tackle. L pulls the ball back down almost instantly, tucks it under his arm, falls in rapidly behind his interference and smashes in. The play is being widely copied. Pass-out plays to the short side have been tried in large numbers, but as a rule they do not work out well: defensive half backs watch such stunts mighty closely these days. The reader will find some forward passing plays outlined in the chapter on Forward Passing. About Trick Flays. So many coaches of minor teams write me asking for a good trick play or two. Now, a really good trick play is a deucedly handy thing to have in ones grab bag, but the downright truth of it is that trick plays that will really work in this day and age are almost as scarce as hens teeth, and quite as hard to pull. This was not always the case. In the early days of the game before...
