WestBow Press, United States, 2009. Paperback. Book Condition: New. 213 x 135 mm. Language: English . Brand New Book. Her life was spinning out of control. A mix of anger and emptiness defined her. Desperate for true peace, she headed to a place of rest - the healing sands. Ryan Coe feels lost - her marriage is over, her kids are living with their dad, her God-life is silent, and her patience is practically non-existent. To top it off, her once exciting job as a photojournalist has been reduced to taking pictures of enchilada festivals and B-level actors. But when she arrives at the scene of a crime and sees her son s face through her zoom lens, her world crashes. Her only mission - to find out who really did this and why they framed her. But before she can help anyone. Ryan s got to get her anger in check. She turns to Sullivan Crisp s Healing Choices clinic, but even that doesn t go according to plan. Quirky and unusual don t even begin to describe Sully and she soon realizes that he isn t the quick-fix therapist she was hoping for. Between his unorthodox counseling and a group of women who are the first real friends she s had in a long time, Ryan begins to realize it s not control she s for, but something much more powerful.
