Were Lincoln alive today what would his response be to the immense and complex issues confronting the United States of America In Lincolns day the issues facing the country dating from Lincolns first political speech (1838) until his death in the opening of his second term (1865) were momentous to his generation, just as the issues facing the country in the early 21st Century are immense to its generation. The people of Lincolns day needed leadership. The people of the United States today also need leadership-not just any kind of leadership-but leadership that is anchored solidly on the fundamental principles and practices of the Constitution of the United States and the Declaration of Independence. Within the understanding that people of Lincolns generation were as people are today in their essential characteristics, good and bad, join in an investigation that utilizes Lincolns own words from his early career and adapts them in principle to the practices of today. Lincoln was a great leader who rescued the Union and restored the country. We can learn from his leadership-if we simply take the time to read and then apply what we learn into the contemporary circumstances that define our issues. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
