In *Mentored by Failure*, Tye Caldwell pulls from his personal journey-many wins and quite a few losses-to share five points that he believes are the basis for a long and successful career. Along with a few tell-tale stories, he debunks industry myths and offers truth and wisdom about how to survive and truly thrive in the beauty industry. *Mentored By Failure* will save you time and missteps. Within these pages are valuable lessons that act as an invaluable resource to your personal, professional, and financial life. If you consistently practice what he recommends, the sage advice offered in these chapters will take you to a higher level in your profession.
