

Parenting Gone Awry: A Pocket Guide to Parenting (Paperback)

By Jennifer Maurais Luce

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Let s face it, we all know that there is no such thing as the perfect parent. Yet, without fail most of us strive to be just that. There is a familiar saying, You can t fit a square peg in a round hole. This comes to mind when I read parenting books, articles, and blogs that attempt to create a template for attaining perfection in parenting (round hole). Some of these resources leave the reader feeling defeated and or inadequately equipped to take on everyday parenting struggles. (Making parents feel like the infamous square peg.) Many times what is needed is a creative solution to practical problem. Offering words of encouragement or a helpful suggestion for a challenge that may pop up in your daily routine is all one needs to feel that they are succeeding as a parent. Feeling confident in parenting skills allows the adult to guide the child while modeling a respectful and positive attitude. Parenting solutions that are offered without room for flexibility are not always an ideal fit when...

Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. Its been written in a remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.
